

## Study of Religion Major: Pre-approved Courses, Summer 2012

- The courses listed below are pre-approved by the Chair of the SOR major.
- Note: Some of these courses will not automatically be approved for the major by the Registrar, as they are not explicitly listed in the UCLA catalog for the SOR major. For those courses that are pre-approved by the Faculty Advisor, but not by the Registrar, you must go through the petition process. Please consult the structure of the major, and the course listing: <http://www.religion.ucla.edu/index.php/students/major>
- The list below is not exhaustive. Other courses not on this list may be used for the major by petition. Please consult with the Faculty Advisor to seek approval in advance of taking the course.
- The category (Group I-IV) that a given course fulfills is to be determined in consultation with the Chair of the Program.
- Lower Division Courses listed may be used for the “Preparation for the Major.” Just like the upper division courses, some of these courses are listed in the catalog, while others require petitions.
- Lower Division Courses should be used only for the “Preparation.” Special permission from the Faculty Advisor is required for a lower-division course to be used for upper-division credit.
- Cross-listed Courses are listed below under multiple departments.
