Study of Religion Major

Updated 02.2017

***If you do not see a course on this Pre-Approved Master Course List, please read below in order to petition for review.**

The following courses have been approved by the faculty adviser and Chair of the Study of Religion to be used to fulfill the Study of Religion major requirement. Please contact **Sunny Kim, Study of Religion Student Affairs Officer** at sunnyhkim@humnet.ucla.edu, 351 Humanities Building, 310-206- 8799 with your questions or concerns.

- Note: Some of these courses will not automatically be approved for the major by the Registrar’s Office, as they are not explicitly listed in the UCLA catalog for the SOR major. For those courses that are pre-approved by the faculty adviser, but not by the Registrar’s Office, you must go through the petition process.
- The list below is not exhaustive. Other courses not on this list may be used for the major by petition. Please consult with the faculty adviser to seek approval in advance of taking the course.
- The category that a given course fulfills is to be determined in consultation with the Chair of the department.
- Lower Division Courses listed may be used for the “Preparation for the Major.” Just like the upper division courses, some of these courses are listed in the catalog, while others require petitions.
- Lower Division Courses should be used only for the “Preparation.” Special permission from the faculty adviser is required for a lower-division course to be used for upper-division credit.
- Cross-listed courses are listed below under multiple departments and denoted with an **M**.
